- Integrated smart card reader (available on select models and markets)<sup>7</sup>
- Simplified repairs using instructional QR codes built into the device<sup>8</sup>

<sup>1</sup>Battery life varies significantly based on device configuration, usage, network, and feature configuration, signal strength, settings and other factors. See [aka.ms/SurfaceBatteryPerformance](#) for details. <sup>2</sup>Copilot in Windows (in preview) is available in select global markets and will be rolled out to additional markets over time. [Learn more](#). Copilot with commercial data protection is available at no additional cost for users with an Entra ID enabled with an enabled [eligible Microsoft 365 license](#). Copilot for Microsoft 365 sold separately and requires a qualifying volume license or subscription - [Microsoft Copilot for Microsoft 365 | Microsoft 365](#). <sup>3</sup>Based on 3DMark TimeSpy benchmark measuring graphic performance compared to Surface Laptop 5. <sup>4</sup>System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1 GB = 1,000 MB. See [Surface Storage](#) for more details. <sup>5</sup>Feature availability varies by market, see [aka.ms/WindowsAIfeatures](#). When Copilot for Windows is not available or enabled on the device, pressing the Copilot key will launch Windows Search. <sup>6</sup>Voice focus requires activation, Windows 11 and is available in apps which use integrated device microphones and use certain Windows audio processing modes. <sup>7</sup>Integrated Smart card reader available only on Surface Laptop 6 in Black in one of these configurations: 15" 5/16/512/7/16/256, 7/16/512, 7/32/512 and only in US and Canada. <sup>8</sup>Replacement components are available through Surface Commercial authorized device resellers. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Microsoft tools (sold separately) may also be required. Availability of replacement components and service options may vary by product, market and over time. See [Surface service options - Surface | Microsoft Learn](#). Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Unless required by law, device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans.
